Operator and Environmental Safety

Common industry options
to maximize utilization

Industrial Longevity

All steel construction and
robust engineering

Severe Environment Reliability

Performance in
the harshest environments

Power Flex Suspension

Reduces operator fatigue
and increases operator
comfort

PowerBoss Kubota Engine Advantage

- Cast iron engine block and head = less thermal stress
- No timing belts, pulleys or tensioners = protection from dirt and debris
- Kubota engine was built for the industrial customer, non-automotive design
- More oil capacity = more lubrication
- World renowned reliability and performance
- PowerBoss industry leading engine warranty
